DAN MORALES
ATTORNEY GENERAL

Ms. Christine Lanners
Assistant City Attorney
Criminal Law and Police Division
City of Dallas

Dallas, Texas 75201

OR98-2689

Dear Ms. Lanners:

You ask whether certain information is subject to required public closure under chapter 552 of the Government Code. Your request was assigned ID# 119378.

The Dallas Police Department received a request for the complete arrest report relating to a charge of evading arrest. You contend that the requested documents are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and have reviewed a representative sample of the documents at issue.¹

Section 552.108(a)(1) excepts from disclosure information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime. You state that the requested documents relate to a pending criminal prosecution. Based upon this representation, we conclude that the release of the documents would interfere with the prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

We note, however, that information normally found on the front page of an offense report is generally considered public. *See generally* Gov't Code § 552.108(c); *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). Thus, you must release the type of information that is considered to be front page offense report information, even if this information is not actually located on the front page of the offense report. Although section 552.108(a)(1) authorizes you to withhold the remaining information from disclosure, you may choose to release all or part of the information at issue that is not otherwise confidential by law. *See* Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
